HPAC / ACVL INSTRUCTION INSURANCE DOCUMENTATION FORM

Registered School (Includes 2 Registered Gliders)..... \$135.00

Additional Registered Gliders (Each)\$25.00

Instruction Certification provides third party liability to students under the direct supervision of the instructor. Students not under the direct supervision of a Certified Instructor are not covered by this program.

School Requirements:

- All Instructors and Tandem Instructors are required to be Full Insured members of the HPAC/ACVL
- Instructors and Schools may only instruct in the discipline for which they are currently certified.
- Instructor Certification must be valid to the end of the insurance coverage period.
- Instructors must comply with HPAC/ACVL instructor (re) certification guidelines.
- By Transport Canada Regulations, Schools must register an Operations manager.
- Complete an Instruction Insurance Documentation form.
